

# RTS 28 – BEST EXECUTION REPORT 2018

## TRADITION SECURITIES & FUTURES

Tradition Securities & Futures

9 Place Vendôme

75001 – Paris

*Amended version – december 2020*

## INTRODUCTION

Pursuant to Article 24 of Directive 2014/65/ EU of May 15, 2014 ("MIFID 2") and art. 64 to 66 of the Delegated Regulation 2017/565, when providing reception and transmission of orders and/or execution in relation with financial instruments (as defined in Appendix I. Section C of the MiFID 2), Tradition Securities & Futures shall take all sufficient steps to achieve the best possible result for its clients.

Supplementing MIFID 2, the Commission delegated regulation (EU) 2017/576 of 8 June 2016 imposes the publication of the top five execution venues in term of trading volumes for professional clients and for all the class of financial instruments defined on its Annex I. As investment firms, Tradition Securities & Futures publishes this report on an annual basis.

Execution policy is available on the Tradition Paris's website: <http://www.tsaf-paris.com/mif.php>

Tradition Securities & Futures will not provide split for passive, aggressive and directed order due to the lack of data available.

- QUALITY OF EXECUTION OBTAINED

(a) An explanation of the relative importance the firm gave to the execution factors of price, costs, speed, likelihood of execution or any other consideration including qualitative factors when assessing the quality of execution;

As part of its best execution obligation, Tradition Securities & Futures may choose to direct a Client's order to another Investment Service Provider ("External Broker") for execution. Tradition Securities &

Futures has established a list of External Brokers for order execution and these External Brokers have been selected based on the following criteria:

1. Compliance history of the External Broker
2. State of the art technology implemented by the External Broker
3. Market access provided by the External Broker
4. Cost and charges of the External Broker
5. Coherence with Tradition Paris Execution Policy of the External Broker

***(b) A description of any close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders;***

There are no close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders.

***(c) A description of any specific arrangements with any execution venues regarding payments made or received discounts, rebates or non-monetary benefits received;***

There are no specific arrangements with any execution venues regarding payments made or received discounts, rebates or non-monetary benefits received.

***(d) An explanation of the factors that led to a change in the list of execution venues listed in the firm's execution policy, if such a change occurred;***

There are no change in the list of execution venues listed in the firm's execution policy for transactions executed in 2018.

***(e) An explanation of how order execution differs according to client categorization, where the firm treats categories of clients differently and where it may affect the order execution arrangements;***

Order execution does not differ according to client categorization. Tradition Securities & Futures treats only with Eligible Counterparties and Professional clients.

***(f) An explanation of whether other criteria were given precedence over immediate price and cost when executing retail client orders and how these other criteria were instrumental in delivering the best possible result in terms of the total consideration to the client;***

Tradition Securities & Futures does not provide any investment services to retail clients.

***(g) An explanation of how the investment firm has used any data or tools relating to the quality of execution, including any data published under Commission Delegated Regulation (EU) 2017/ 575 to be inserted before publication.***

Data relating to the quality of execution is used for performing monitoring and controls over the execution activity.

***(h) Where applicable, an explanation of how the investment firm has used output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU.***

Tradition Securities & Futures did not use output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU.

## • QUALITY OF EXECUTION OBTAINED

**(a) An explanation of the relative importance the firm gave to the execution factors of price, costs, speed, likelihood of execution or any other consideration including qualitative factors when assessing the quality of execution;**

1. Price
2. Likelihood of execution
3. Speed of processing
4. Costs
5. Size
6. Nature
7. Any other key consideration in the execution of a particular order

There may be scenarios where the priority of execution will change, for example:

- due to a lack of liquidity on a particular venue or across venue where likelihood of execution and speed of processing will become more important;
- when the order is received during the day and/or the size of order may affect the significance of speed and likelihood of execution.

**(b) A description of any close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders;**

There are no close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders.

**(c) A description of any specific arrangements with any execution venues regarding payments made or received discounts, rebates or non-monetary benefits received;**

There are no specific arrangements with any execution venues regarding payments made or received discounts, rebates or non-monetary benefits received.

**(d) An explanation of the factors that led to a change in the list of execution venues listed in the firm's execution policy, if such a change occurred;**

There are no change in the list of execution venues listed in the firm's execution policy for transactions executed in 2018.

**(e) An explanation of how order execution differs according to client categorization, where the firm treats categories of clients differently and where it may affect the order execution arrangements;**

Order execution does not differ according to client categorization. Tradition Securities & Futures treats only with Eligible Counterparties and Professional clients.

**(f) An explanation of whether other criteria were given precedence over immediate price and cost when executing retail client orders and how these other criteria were instrumental in delivering the best possible result in terms of the total consideration to the client;**

Tradition Securities & Futures does not provide any investment services to retail clients.

**(g) An explanation of how the investment firm has used any data or tools relating to the quality of execution, including any data published under Commission Delegated Regulation (EU) 2017/ 575 to be inserted before publication.**

Data relating to the quality of execution is used for performing monitoring and controls over the execution activity.

**(h) Where applicable, an explanation of how the investment firm has used output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU.**

Tradition Securities & Futures did not use output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU.
